

Peter Blasser – pete@ciat-lonbarde.net - 410 362 8364

Experience

Ten years running a synthesizer business, [ciat-lonbarde](http://ciat-lonbarde.net), with a focus on touch, gesture, and spatial expression into audio. All the while, documenting inventions and creations in digital video, audio, and still image. Disseminating this information via HTML web page design and YouTube. Leading workshops at various skill levels, through manual labor exploring how synthesizers work hand and hand with acoustics, culminating in montage of participants' pieces. Performance as touring musician, conceptual lecturer, or anything in between. As an undergraduate, served as apprentice to guild pipe organ builders. Experience as racquetball coach. Low brass wind instrumentalist. Fluent in Java, Max/MSP, Supercollider, CSound, ProTools, C++, Sketchup, Osmond PCB, Dreamweaver, and Javascript.
